

Cotemar receives the Great Place to Work certificate for the third consecutive year

March 22, 2023.

Mexico City, Mexico. This is the third consecutive year in which **Grupo Cotemar** receives the **Great Place to Work (GPTW)** certificate for promoting policies and practices that improve the quality of life within its organization.

In addition, Cotemar has again been recognized as one of the **Top 10 Workplaces for Women in Mexico in 2023** under the "more than 5,000 employees" category for promoting an equitable work environment and fostering inclusion among employees.

Through the application of its methodology, Great Place to Work Mexico can certify that **Cotemar's** processes comply with specification RPC-003 and that its headquarters and workplaces have the attributes of a better place to work.

As one of the first companies in the energy sector in Mexico to receive this certificate, Cotemar reaffirms its commitment to ensuring the wellbeing and quality of life of its employees and their families by providing a healthy and safe work environment. The company's operating standards have earned more than 20 national and international certifications that ensure that its operations, processes, and procedures meet the highest quality standards.

###

About Cotemar, S.A. de C.V.

EXPERIENCE, EFFICIENCY, DELIVERY, AND SOCIAL EMPATHY DEFINE US

We are a 100% Mexican company founded in 1979 that provides comprehensive offshore exploration and production (E&P) solutions, ranging from operational support to offshore design and construction projects.

Our experience and unique infrastructure in the Gulf of Mexico position us as the best option for our customers by collaborating with them and helping them overcome their challenges and maximizing the return on investment.

We are driven by our culture of collaboration and by turning challenges into great opportunities. Backed by more than 43 years of experience in the industry, we execute our projects in a safe, efficient, and timely manner. One-stop to get it done, and done right.
