Mexico City, Mexico. With the recent launch of its new **Sustainability** website, **Grupo Cotemar** expects to increase the transparency of its activities and share information and results that will demonstrate the company's commitment to sustainability, social development, employee wellbeing, social inclusion, environmental conservation and protection, and corporate social responsibility.

This website includes the following five sections:

- 1) The Certifications section provides information that assures users that Cotemar is a world-class Mexican company that performs all its activities following the strictest ethical, quality, and service standards.
- 2) The Focus Areas section provides information about the company's activities and programs regarding its commitment to its employees and their families and the communities where we operate.
- 3) We are Power includes a description of the company's sustainability programs and reports on GCM's Corporate Social Responsibility (CSR) activities and corporate governance model.
- 4) The Hotline section describes the services that are provided under strict protocols and managed by an independent third party to ensure the confidentiality and integrity of all whistleblowers. All reports can be made over the phone or through voice mail, email, or on the web page.
- 5) The Media Center includes press releases in Spanish and English.

Cotemar's new website <https://sostenibilidad.cotemar.com.mx/> confirms its commitment and empathy with the wellbeing of its employees, the comprehensive development of the communities where it operates, and caring for the environment.
