

## Grupo Cotemar joins the support for the victims of Guerrero.

November 6th, 2023

Mexico City, Mexico.- In order to provide basic health services and medicines to the communities in the state of Guerrero, which were affected by Hurricane Otis, Grupo Cotemar is sending a Mobile Medical Unit for Emerging Care for Natural Disasters, as well as collecting food.

The mobile medical unit is designed to provide comprehensive and free medical care, complemented with the delivery of medications included in the basic support of the health sector, working as a first level on site and mobile health center, managed and attended by a group of trained professionals focused on providing warmth and quality care.

It is a vehicle with two equipped offices. It has medical and diagnostic instruments, examination chairs, air conditioning, LED lighting, drinking water, and an electric power plant, as well as an area intended for pharmacy use. The unit is staffed by a coordinator, two general physicians, two nurses, a social worker, a pharmacy assistant, and a driver.

The tasks of Cotemar's mobile medical unit will be aligned with the tasks of the DN-III-E Plan of the Secretariat of National Defense and the Marine Plan of the Secretariat of the Navy, as well as the actions of the Mexican Red Cross implemented in the state.

Likewise, Cotemar is collecting food and basic necessities, which will be channeled to the Mexican Red Cross to be shipped to the communities of the state of Guerrero.

Cotemar is a socially responsible Mexican company with more than 44 years of experience, committed to society and the well-being of our country.
