The ESR Distinction is a recognition referenced to national legislation and international regulations, granted each year by Centro Mexicano para la Filantropía (Cemefi)<sup>1</sup>, which is the result of a systemic process that measures and compares the level of development of Social Responsibility good practices from companies with indicators in social and environmental fields, as well as ethics and business governance.

At Grupo Cotemar, we are committed to Mexico's strengthening, innovation, and development. For this reason, we recognize and thank our collaborators, in all areas, for 12 years of maintaining the ESR Distinction in force, which is an icon of value for the companies that obtain it and that highlights the promotion of good practices and compliance with established standards that integrate each of our projects, positively impacting the development of the communities in which we operate.
