

**For the fifth year, Lifting de México obtains the ESR distinction.**

August 14th of 2024.

Mexico City, Mexico.- Servicios de Extracción Petrolera Lifting de México obtained for the fifth consecutive year the ESR Distinction (Socially Responsible Company), recognition granted by the Mexican Center for Philanthropy (Cemefi), for complying with the standards of the accreditation model under the Environmental, Social and Governance (ESG) criteria.

This distinction is based on a rigorous diagnostic process of various areas of the company, which is verified by Cemefi, and is endorsed every year to maintain the culture of corporate responsibility. The ESR Distinction accredits the company before its collaborators, investors, clients, authorities and society, as an organization publicly committed to social responsibility.

At Lifting de México, we recognize and thank our stakeholders for five years of maintaining the ESR Distinction, which is an icon of social value for the companies that obtain it, in compliance with good practices and established standards, positively impacting the communities where the company is located.

**About Servicios de Extracción Petrolera Lifting de México, S.A. de C.V.**

Lifting, a Grupo Cotemar company, is a 100% Mexican company engaged in onshore hydrocarbon exploration and production with experience, efficient and safe operating processes. Lifting was created to promote the development of the energy sector in Mexico. Through bidding processes organized by the National Hydrocarbons Commission (CNH), it was awarded two license contracts for the extraction of hydrocarbons in the fields of Cuichapa Poniente and Paso de Oro, located in the State of Veracruz. Lifting contributes significantly to the rescue of oil sovereignty.
