March 24th of 2025.

Mexico City, Mexico.- For thirteen consecutive years, Grupo Cotemar has been recognized with the ESR (Socially Responsible Company) Distinction. This recognition highlights the company's efforts to integrate social responsibility into its policies and procedures, fostering a culture of sustainability, governance, and environmental care. Furthermore, it reaffirms Cotemar's respect for the rights of its employees and attention to the needs and expectations of its stakeholders.

The ESR Distinction, awarded annually by the Mexican Center for Philanthropy (Cemefi) and AliARSE, recognizes companies that comply with social responsibility legislation. It also certifies that companies are committed to social responsibility toward employees, investors, customers, authorities, and society. Cotemar was recognized in the "large companies" category, which also evaluates the company's commitment to social responsibility to positively impact Mexico's development and sustainability.

For more than 46 years, we have been a sustainable company, committed to the well-being of our employees and their families, the development of the communities where we operate, and the protection of the environment.
